Dear Mr. Shaikh and Ms. Dwyer,

I hope this email finds you well. I wanted to follow up on my previous request for a list of participants from our Aug. 30th meeting. I believe we were told during our meeting that this could be provided, but do let me know if this is not the case.

On another note, will it be possible to arrange a follow up call on, or around, Sept 30th as our team had suggested? Please let us know. In the meantime, we are always available to provide any assistance to your team if needed.

Looking forward to hearing from you!

Sincerely,
Shreyas Vasudevan

Good afternoon Taimur,

I hope this email finds you well. I was wondering if we could obtain a complete list of participants on our call last Tuesday, including at least names and job titles. Let me know if this is possible.

Thank you,
